Mark and Gail,

Can you both work together on this and find out the status of our response to each of these governor\*s letters and send to me, asap? HQ\*s is getting pressure to get response letters sent.

Subject: Governor's Correspondence

Hi Monica, I wanted to introduce myself, I have taken over Tony Raia\*s responsibilities for the care and feeding and tracking of governors correspondence.  
Also to alert you that Governor Mead is on a roll, and hoping you could help me track down some of these letters. I know Trish Botkin has her hands full and perhaps can\*t push. The first three letter have had extensions, and I am now getting heat about them. Could you help me out? Please give me a call if you have any questions. Thanks so much.
